

# KS SERIES WATER SOFTENING SYSTEMS

Choose the perfect fit for your home

**KS10** 42,000 grains capacity  
3/4" waterways

**KS15** 50,000 grains capacity  
1" waterways

**KS64** 64,000 grains capacity  
1" waterways

- Salt or (non-salt) potassium compatibility
- Smallest footprint (as small as 11" wide)
- Engineered with NEW HiFlow technology to meet high water demand in 99% of today's larger homes
- Ultrafresh™ rinses away stale water during periods of little water use

## Additional Benefits of KS15 & KS64

- NextGen - Predictive Metering Technology™ adjusts for water trends by cleaning prior to heavy usage days and delays cleaning on lower usage days, saving money.
- Variable reserve maximizes salt and water efficiency
- Larger capacity = fewer regenerations = less salt and less water

## NEW KS EVERSOF TWIN™

For households with peak water usage that takes place after work hours and on weekends.

### PREMIUM PROCESSING

- Twin tanks provide continuous soft water; one tank is in use while the other cleans
- Half the wear and tear, twice the life expectancy
- 100,000 grain capacity, full 1" waterways
- Water softener
- Whole house filtration KrystalGuardPRO™

ENDLESS RESERVE™ TECHNOLOGY

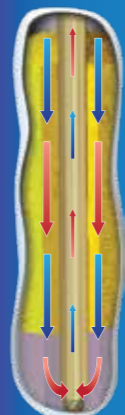

\*Each unit separately certified

KrystalGuardPRO

Go Beyond Water Softening

## KS Series Upgrade

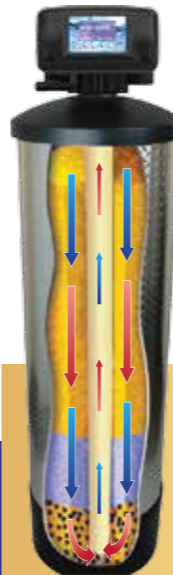

- Delivers clean, filtered water throughout your home. C&B
- Reduces odors
- Provides better baths and showers by reducing up to 99% of unwanted elements like chlorine. These elements can be absorbed through the skin and inhalation.

\* By adding this NSF certified component to any softener, IAPMO certifications revert to NSF component certifications.

## NEW NO-SALT WATER TREATMENT KC ELITE SYSTEM

The Krystal Pure's scale reduction alternative to traditional water softening

- Delivers clean, filtered water throughout your home including baths and showers. C
- Does not require salt or potassium.
- Reduces harmful scale such as lime, calcium and magnesium

- » Multiple stages of filtration protects appliances and fixtures
- » Enjoy whiter, brighter laundry
- » Skin and hair feel silky and soft
- » Simplified household cleaning. Reduce scrubbing & chemicals
- » Up to 7 years media lifespan (depending on water quality and usage) B

### ADDITIONAL FEATURES

- Free<sup>D</sup> SourceSelect™ valve (\$65 value)
- High flow rates for larger homes<sup>E</sup>
- Space-Saver design fits in a 16 inch wide space

<sup>A</sup>See Warranty for details.
